WHAT'S INSIDE...

This collection features our latest and most loved pieces of furniture. From mid-century classics to contemporary sophistication. So whether you are looking for sweeping silhouettes or a design classic, you can rest assured this collection will leave you feeling inspired.

Allermuir at Home.

We believe that space planning should be the first step when styling any interior.

Our collection suggests products based on purpose, allowing you to effortlessly achieve layouts that suit your lifestyle.

Our at home **Xpress program** offers a selection of popular products on short lead times. The products offered are versatile for a range of applications. Please refer to the individual product pages to find further **Xpress** and specification information.

Furniture that enhances a space.
